

# PRINCIPALI REFERENZE IN FRANCIA

In Francia e all'estero, il nostro concetto di disinfezione delle superfici tramite dispersione aerea viene utilizzato in un'ampia varietà di aree di applicazione nelle quali disinfezione e controllo della contaminazione rappresentano una sfida continua: **ospedali, case di riposo, centri sociali, asili nido, sanatori, veterinari, pollame industria alimentare, lavanderie, igiene professionale, laboratori e industria farmaceutica, hotel, ecc.**
